The 1980 HAWK is dedicated to Mr. Thad Haskins, Principal at H.N.C. Because of his determined spirit and great willingness to serve, he has improved H.N.C. in many areas. He has given of himself — for our betterment.

Throughout his life, he has been involved in all phases of education, both as a student and an educator. He has participated in many sports and enjoys them as a participant and spectator.

Mr. Haskins has been Principal at H.N.C. for 3 years. During this time, activities and organizations have increased. New ideas and goals have been expressed and carried out.

Born in Mississippi, he attended schools in the central regions of the state. He graduated from Mississippi State University with a degree in Education and Educational Administration.

We sincerely thank him for all the hard work he put in for our behalf.

Juniors

Our Junior year seems to be the prime of our school years. Why? Well, from day one things seem to come alive. A very exciting homecoming week begins. As the Juniors look forward to the big dance they become very anxious. But just wait 'til "Prom." Committees are formed to announce when and where our Prom is to be held. There seems to be one thing after another. But who's complaining? It's fun. And we Juniors seem to be on top of it all.

The highlight of our exciting year comes in the ordering of our class rings. But the best part is receiving them and trying to get "81" wishes on them.

The gleam comes to our eyes and our smiles widen as the year comes to an end. But there is still one more thing to look forward to . . . NEXT YEAR!

Our time as Sophomores has been a time to remember. During homecoming we worked together as a team on the class float and all of our work became successful. We won this year! Class of '82 does it again!!! Our class has participated in many school activities during the football season. We are now looking forward to the rest of our time as the Sophomore class. We are beginning to plan fund-raising activities so we can make our prom one to remember. We are also looking forward to ordering class rings.

Next year we hope to have a class that will work together just as we have done this year. Our ambition as Sophomore's is to always be remembered as the Class of 1982.

FRESHMEN

Freshman days . . . the dawning of High School, the first step towards graduation — 1983. Freshman day — the seniors had "Baby" slaves, complete with bottles, diapers, even pacifiers! They recited Mother Goose, sang songs, carried books and bowed to every senior. The spirit remained unbroken as they worked on door and float decorations for Homecoming. The class of '83' cheers loudly at Pep Rallies and is enthusiastic about all activities at HNC.

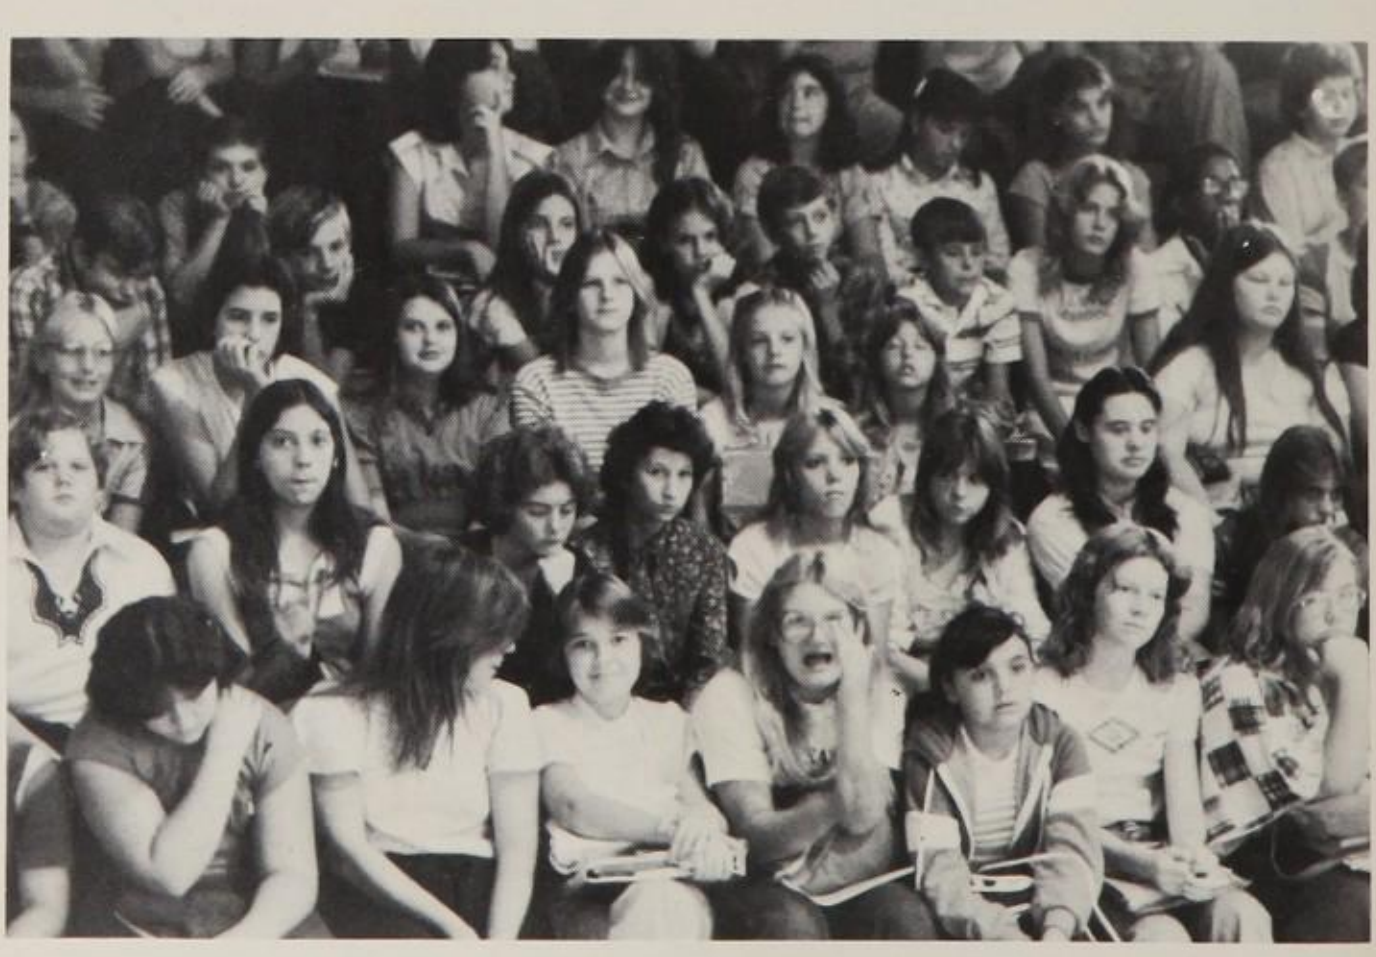
The junior high school has been able to participate in some of the high school activities such as the float contest, banner contest, and the spirit stick competition.

The junior high school consists of the seventh and eighth grades. The junior high students have their own athletic program that includes a football team, basketball teams, and a track team.



Mrs. Hufford's class has lots of smiles and a fresh coat of paint for the room.

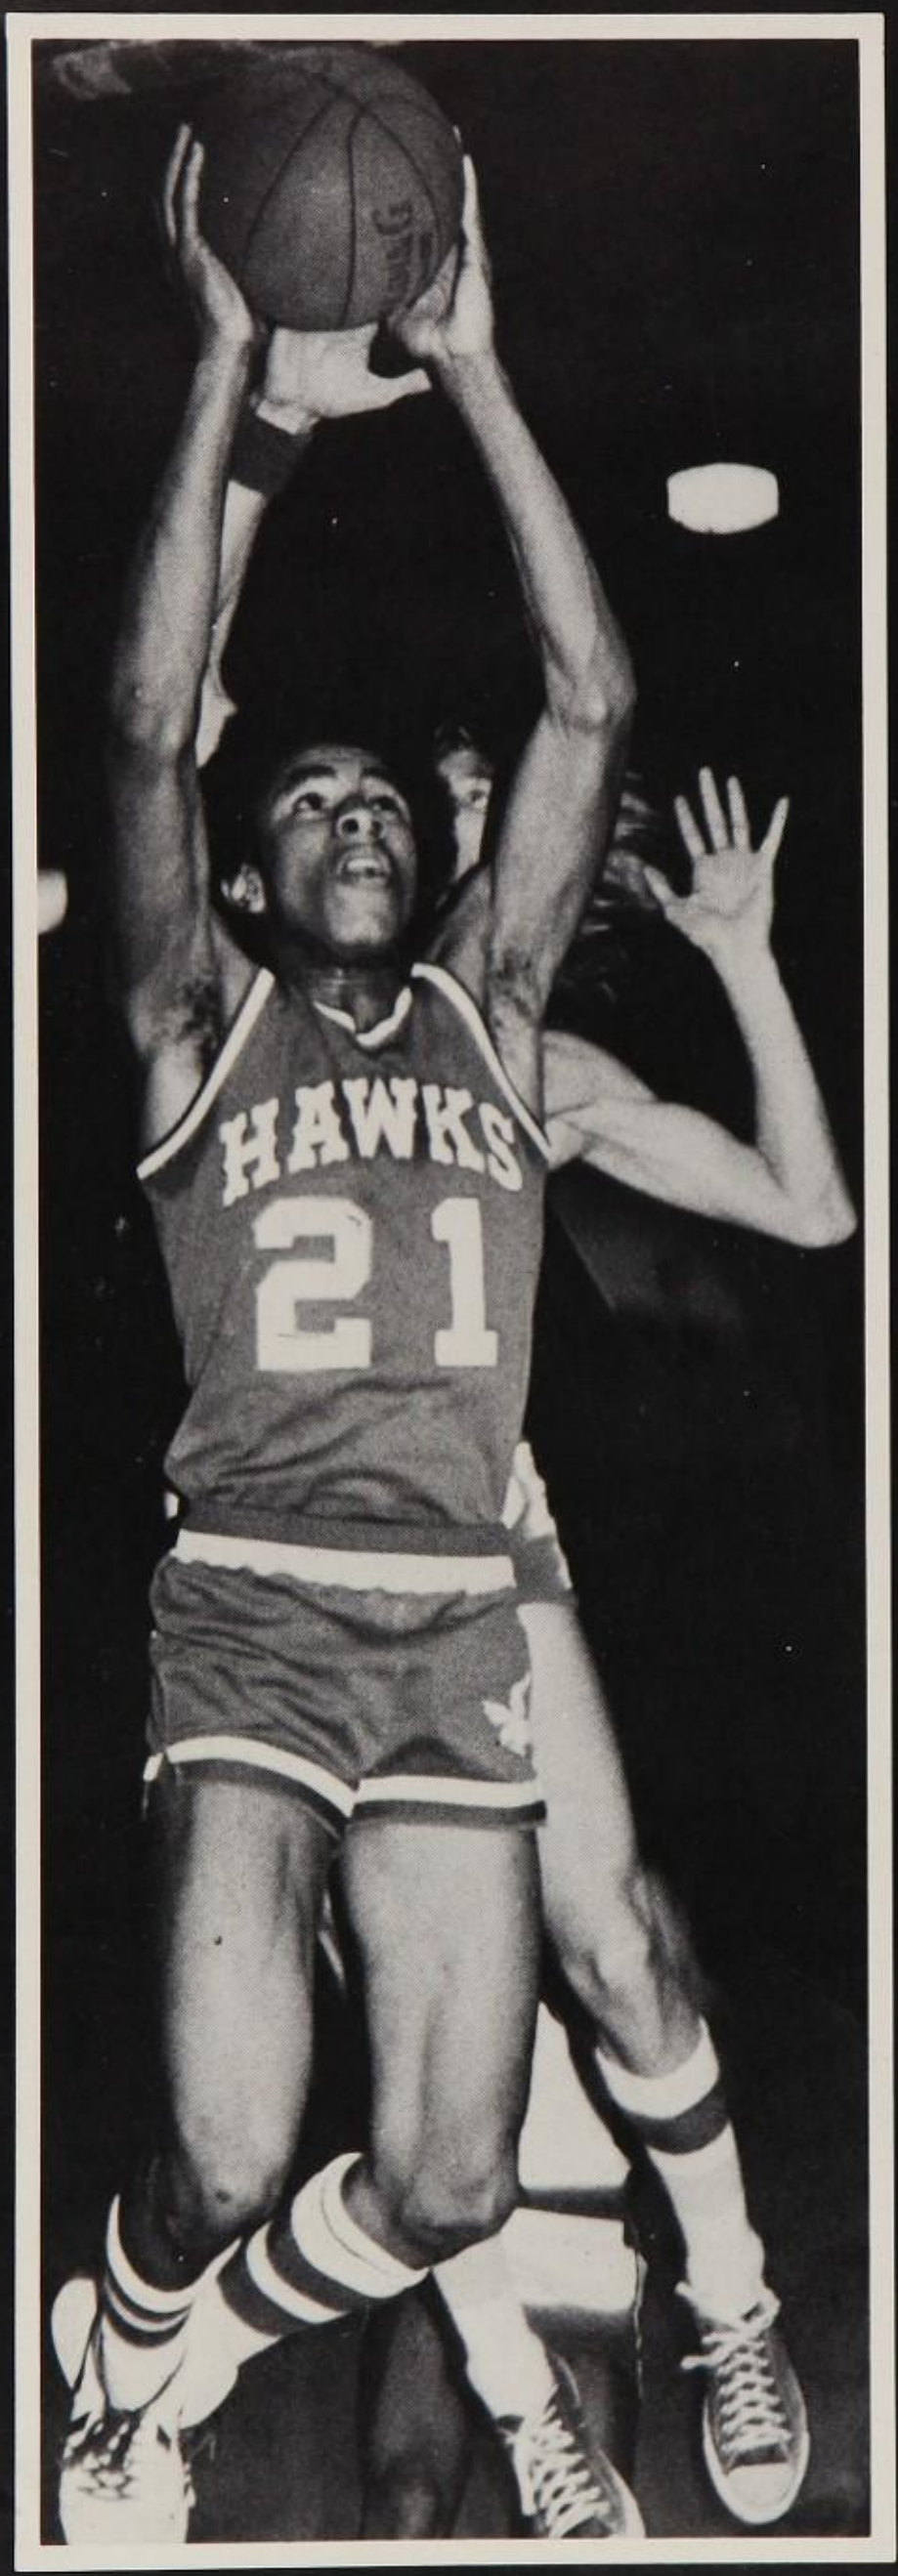
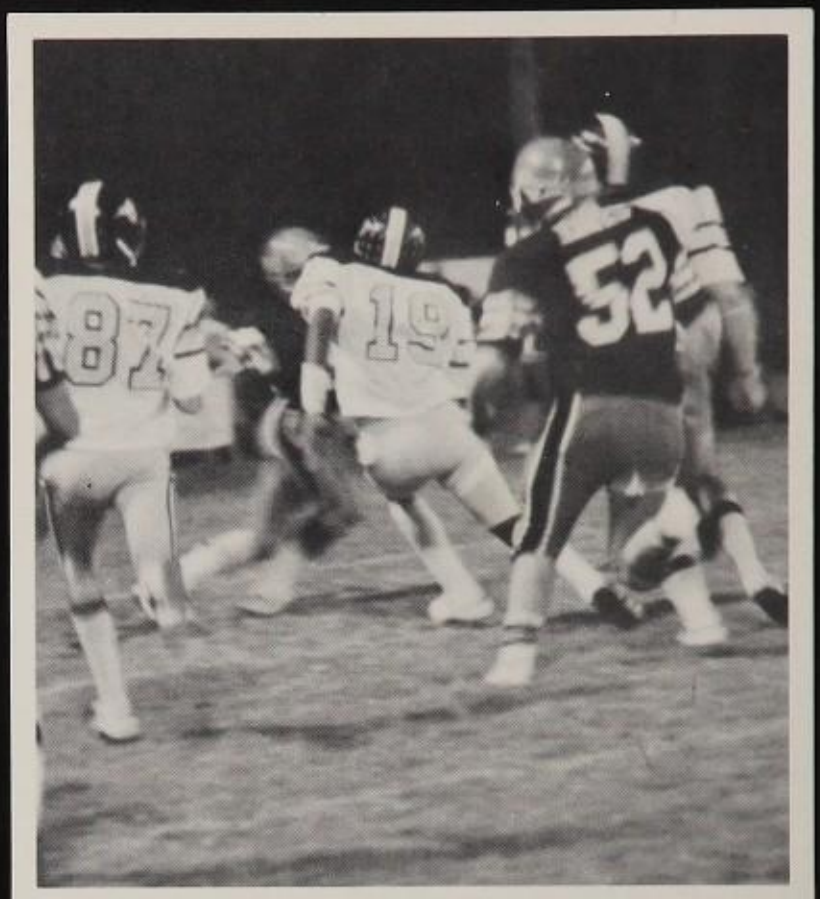
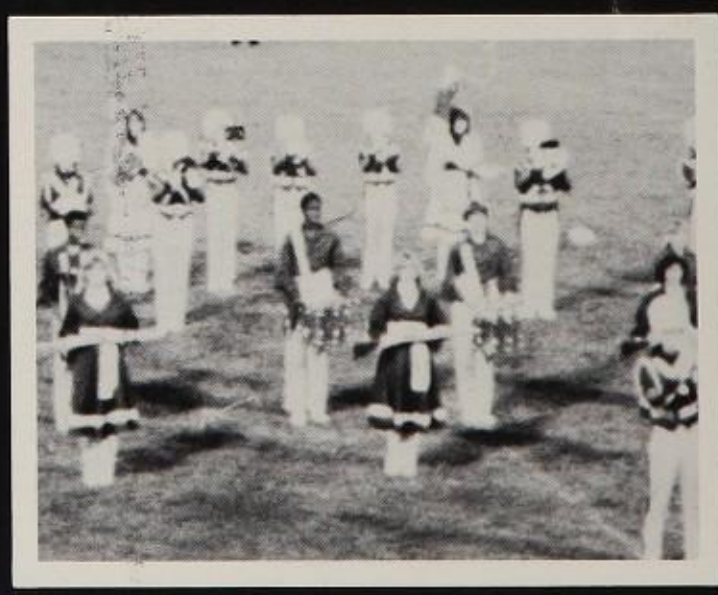
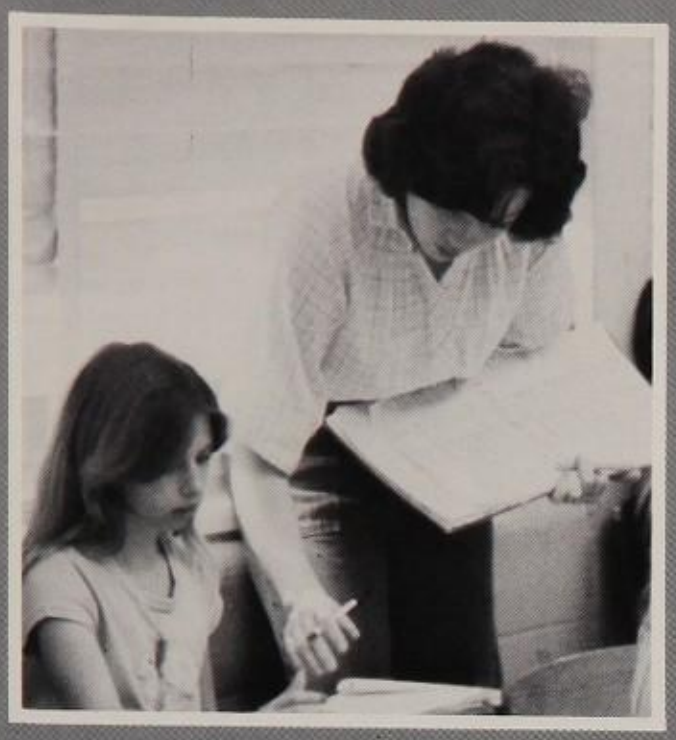
Bottom Right: Mrs. Choina signals the band to "follow the leader"

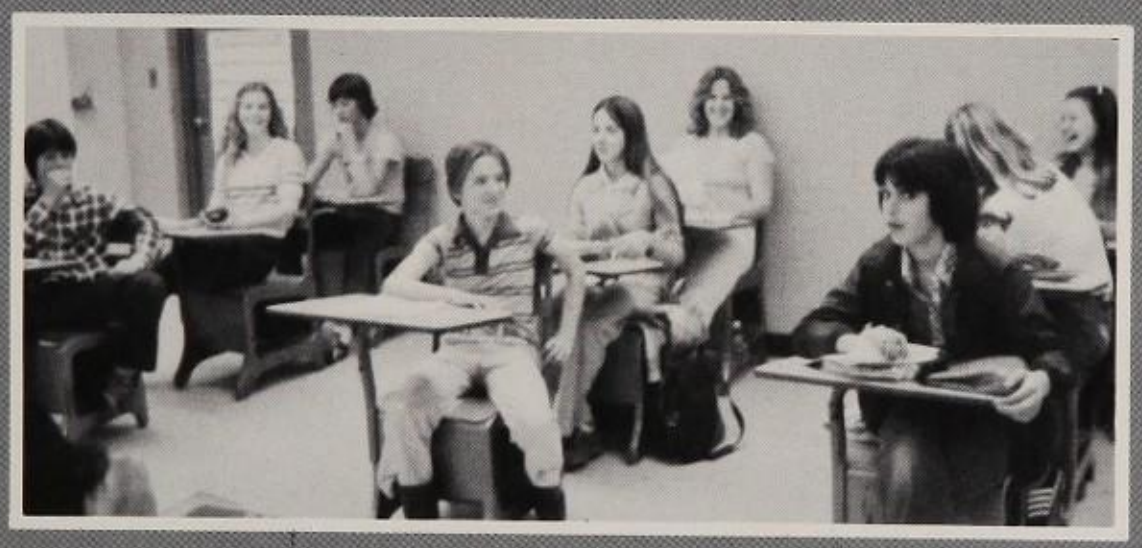


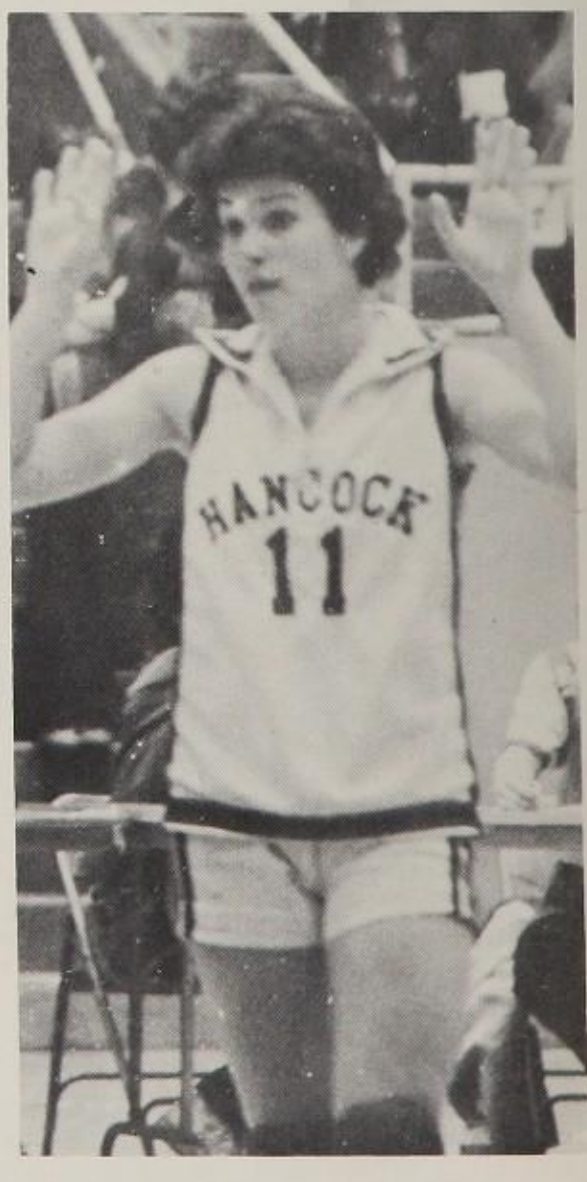




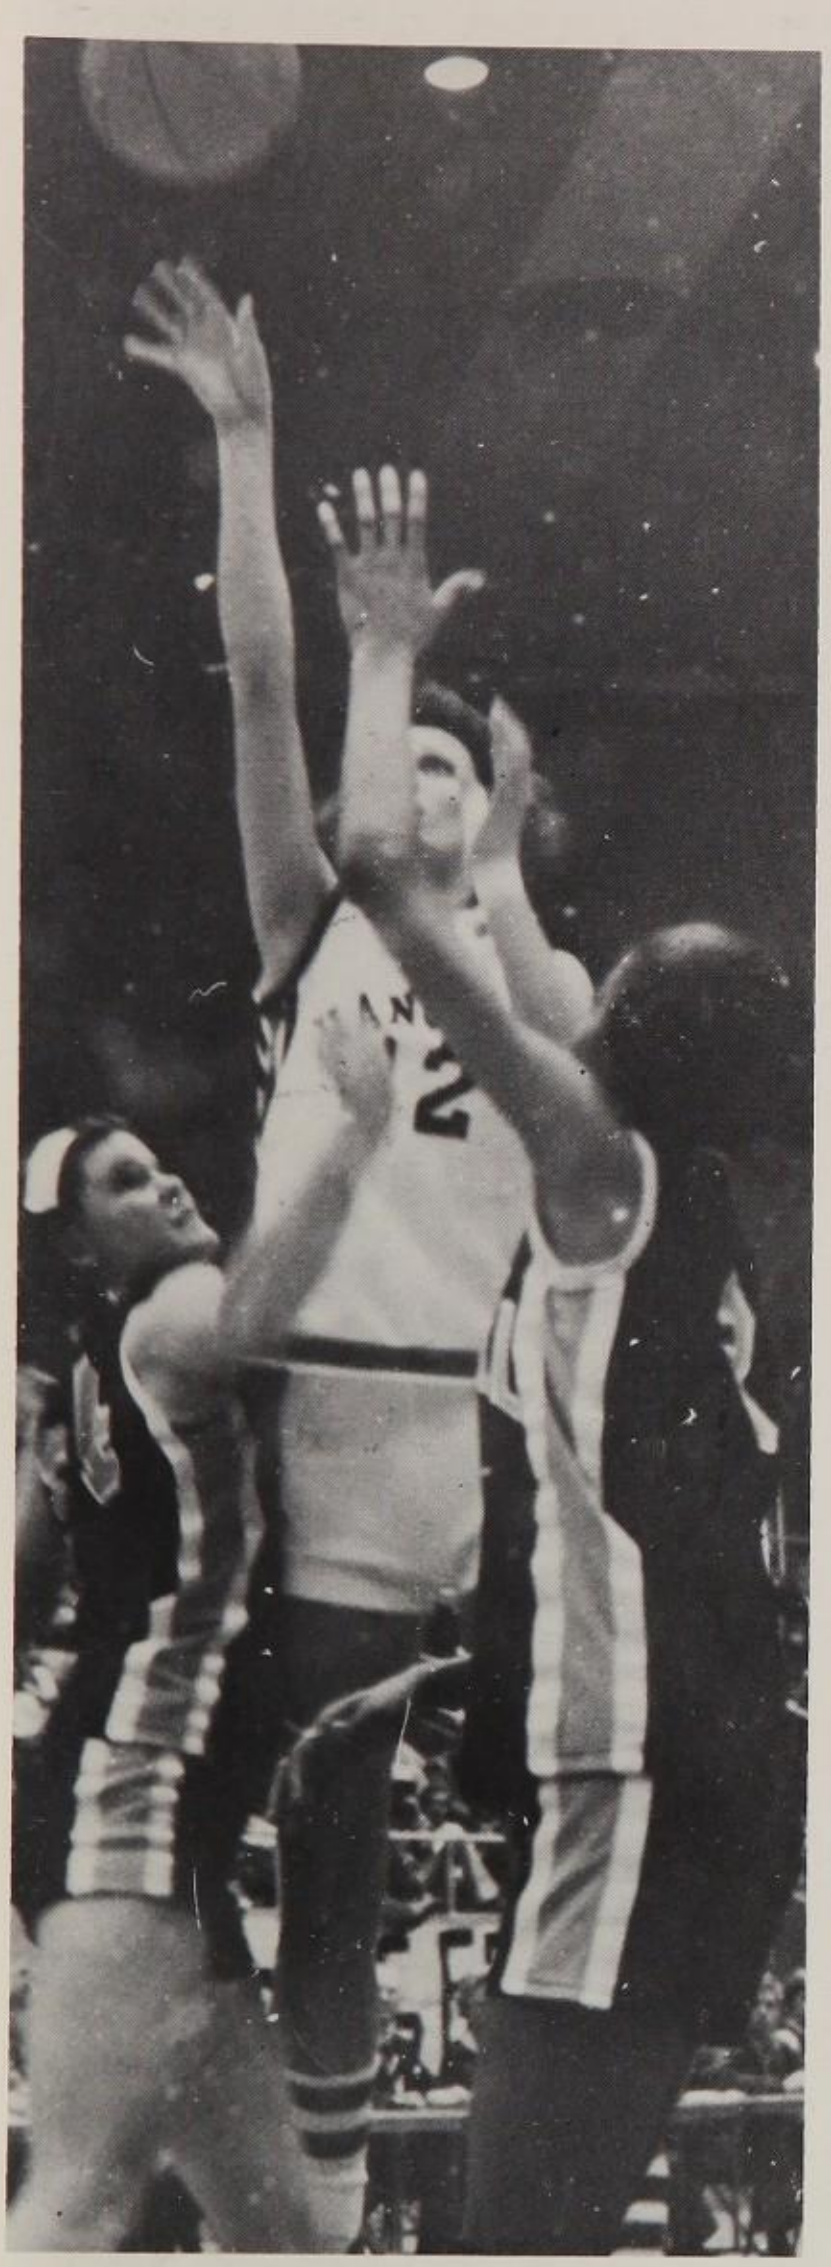
ACTIVITIES







Shelly Dedeaux, Joye Lee, Shaynon Ladner, and Cindy Odom were named to the All State Tournament



Hawkettes Capture 2nd State Title

The Hawkettes were hot again in Jackson, Mississippi February 28-March 1. They really put on an exciting show for their fans. The hard working Hawkettes received the Class 'A' State Title for their second consecutive year. After a close game with Hollandale Simmons (43-41) the Hawkettes had no trouble defeating the No. 1 team from the North, Lafayette County (51-31), or the No. 1 team from the South, Mendenhall with a run away 54-38 in the State finals.

Despite the snow and the "new" type of hair ribbons, the Hawkettes' spirit was never down. Once again the mighty Hawkettes are the **CLASS 'A' STATE CHAMPIONS.**

HNC Pride

The HNC Concert and Marching Band, under the direction of Catchie Choina and Tom Smith, have been very busy performing for pep-rallies, civic functions, football games, parades and school functions. The band took part in the Picayune Marching Contest, various clinics, with the finale being the State Band Contest in April. The community was treated to Christmas and Spring concerts. Band teaches respect for others and self, requires discipline and is very rewarding. Most of all, it gives the students a sense of accomplishment and pride.

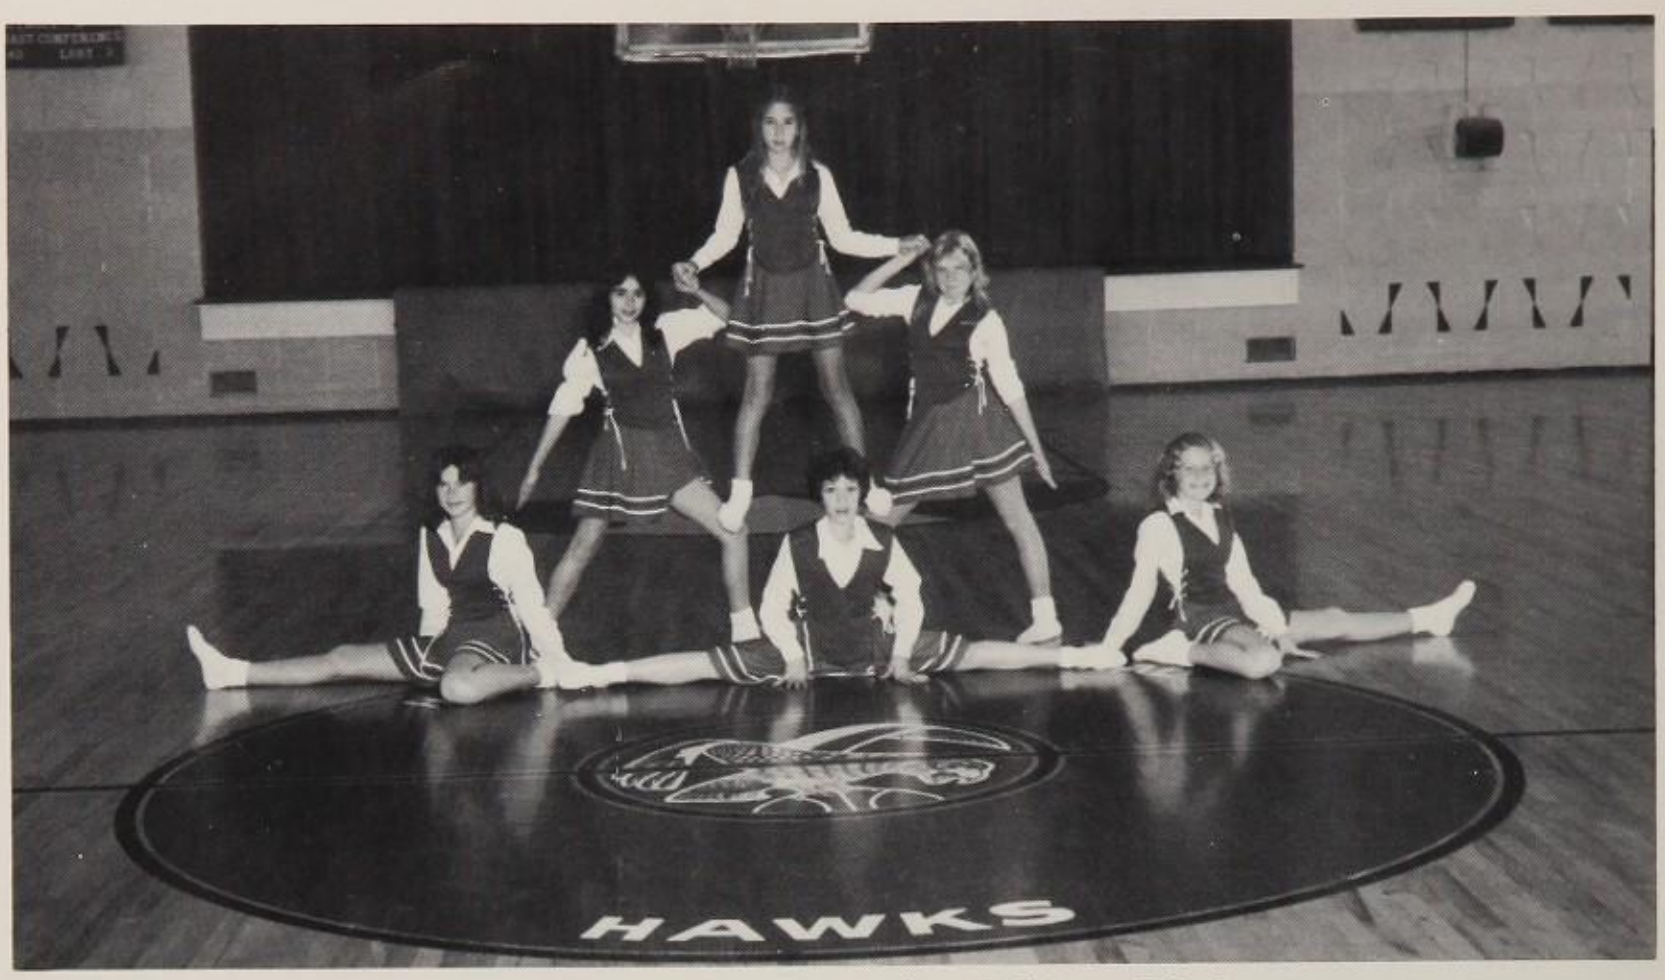
CHEERLEADERS GLOW WITH SPIRIT

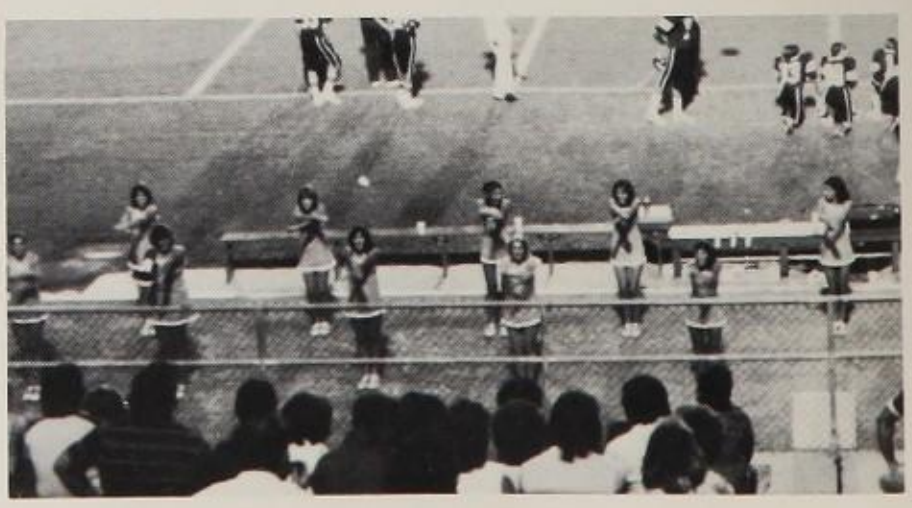


A. Thigpen, S. Ladner, K. Seal, P. Ladner, T. Skipper, P. Ladner.

The cheerleaders have worked very hard all year. Their year started off with summer camp sponsored by the National Cheerleader Association at Perkinston Jr. College. There the cheerleaders were excited to win the spirit stick.

They attended one-day camp at USM. This camp was sponsored by the Universal Cheerleader Association.

The cheerleaders initiated a spirit plaque this year which will be presented to the class which shows the most school spirit throughout the year.



Action, Action, We Like Action

The school year 1979-80 has seen and will see many changes for Hancock North Central Elementary School. Several changes have occurred in the faculty. I am grateful to the contributions of the new personnel members and look forward to a good year.

The elementary classes have been very active this year. Grades 1-6 have been involved in candy sales, magic shows, Christmas plays, sports activities and many other individual class projects.

"The First Christmas"

The 1st Grade took part in the Elementary Christmas program by presenting "The First Christmas." Angels, shepherds and wisemen abounded in the gym. It was enjoyed by all.

2nd Grade Sparkles

O Christmas Tree was the title of the 2nd grade presentation. The children enacted the story of the origin of the Christmas tree and how it helped a family one year. They were happy and joyful in their actions. The choir did a great job with the many selections. We hope they will entertain us in the future.

Candy Sales Result in Royalty

The Elementary students took part in a fund raising event sponsored by the HNC Elementary PTA. Chocolate crunch bars were sold. The students were recognized for selling one carton with a silver dollar. Two or more cartons sold resulted in the student receiving a trophy. The winners from 1st and 2nd grades selling the most candy were Count and Countess Brett McKay and Tania Jones. Winners from third and fourth, Duke and Duchess Rhett Ladner and Ray Billaud — (tied) and Lorraine Williams. Prince and Princess were Sidney Marshall and Julie Ladner from the fifth and sixth grade. The two overall sales winners were King and Queen Kenny Ladner and Missy Stenkylft. Kenny Ladner received the black and white T.V. for top sales throughout the school. After the crowning, the students enjoyed a Disco Dance.

Left to Right: Brett McKay, Tania Jones, Kenny Ladner, Missy Stenkylft, Ray Billeaud, Lorraine Williams, Rhett Ladner, Julie Ladner, Sidney Marshall (not pictured).

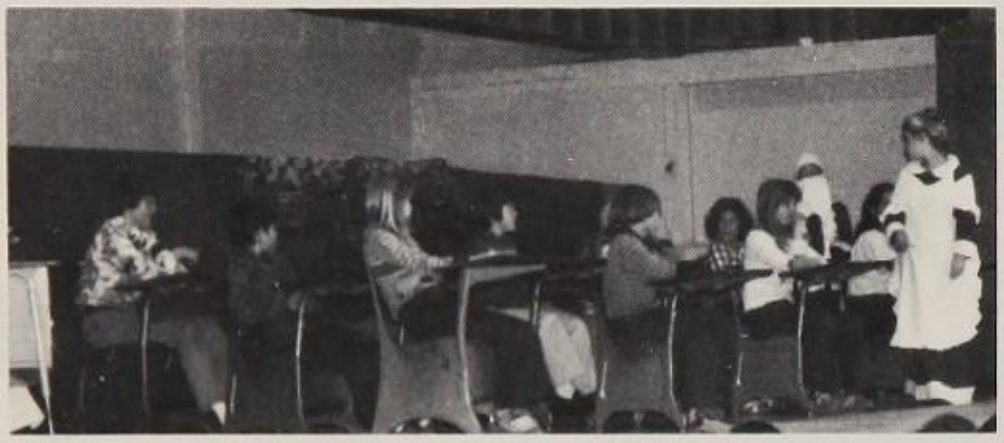
The name of the 5th grade play was Mr. and Mrs. Santa Claus Calls Roll. In this play they told what each letter of Merry Christmas stood for. Their songs were Joy to the World, and O' Come All Ye Faithful.



The 5th grade classes were involved in several activities this year.

6th Grade Activities

The 6th grade Christmas play was about the joy and happiness **Santa** brings. The students have plays, sports and pep rallies — getting ready for that big step next year.

The Star Student Program is sponsored by the MS Economic Council. It stands for Student Teacher Achievement Recognition. The star student in each high school is the senior with highest score on ACT test. That person selects as star teacher a classroom teacher who in that student's opinion, made the greatest contribution to his scholastic achievement. All star students are then in competition to be State Star Student for $1,000 scholarship.

This star student, Chris Halterlein, is the son of Gene Halterlein. He plans to attend PRJC or USM to study computer programming. He attends Infant of Prague Church. Chris scored a 25 on his ACT Test.

Mike Gemelli was chosen as Star teacher. He teaches Math and Psychology and is in his fourth year of teaching at HNC.

Coach J. Roland Ladner, Head Coach since 1963, is receiving many honors this year because he has the best record of active coaches and the second best record of all the coaches in the nation. His record stands at 806 wins and 248 losses. He graduated from Sellers High School, attended Pearl River Jr. College, and received his B.S. degree from the University of Southern Mississippi where he has done graduate work also. His teams have won 70 invitational tournaments and placed second in 10; won 17 District Tournament Championships and placed second in 3; won 6 South State Tournament Championships and placed second in 3; won 6 South State Tournament Championships and placed second in 2; won 1 State Championship and placed second, third, and fourth in other State Tournaments. He was selected Coach of the Year in Basketball 1972-1973, nominated Coach of the Year in Conference and County numerous times. He has been invited to work in basketball clinics at MS State University, Delta State University, Pearl River Jr. College, and others. He is an active member of the Mississippi Association of Coaches, earning a 20-year pin. He served on the Board of Directors of the Executive Committee for two years. He coached the winning South All-Star Basketball teams in 1957 and in 1966. His team's record so far this season is 24 wins and 6 losses. Many of the big games and victories were against "AA", "AAA", and "AAAA" schools from Texas, Florida, Alabama, Mississippi, and Louisiana.

Coach Ladner's personal philosophy is to emphasize the comparison of sports to life. He believes that the values learned in sports should carry over to ones way of life. He believes that a coach should be a living example to his athletes and teacher should be an example to his students. Those students who have know the concern Coach Ladner has had for them and the fine Christian example he has lived for them would all agree that he is a very successful man. We, the students and faculty of Hancock North Central, would like to say **CONGRATULATIONS** and **THANK YOU** to Coach Roland Ladner, a man we admire and respect.

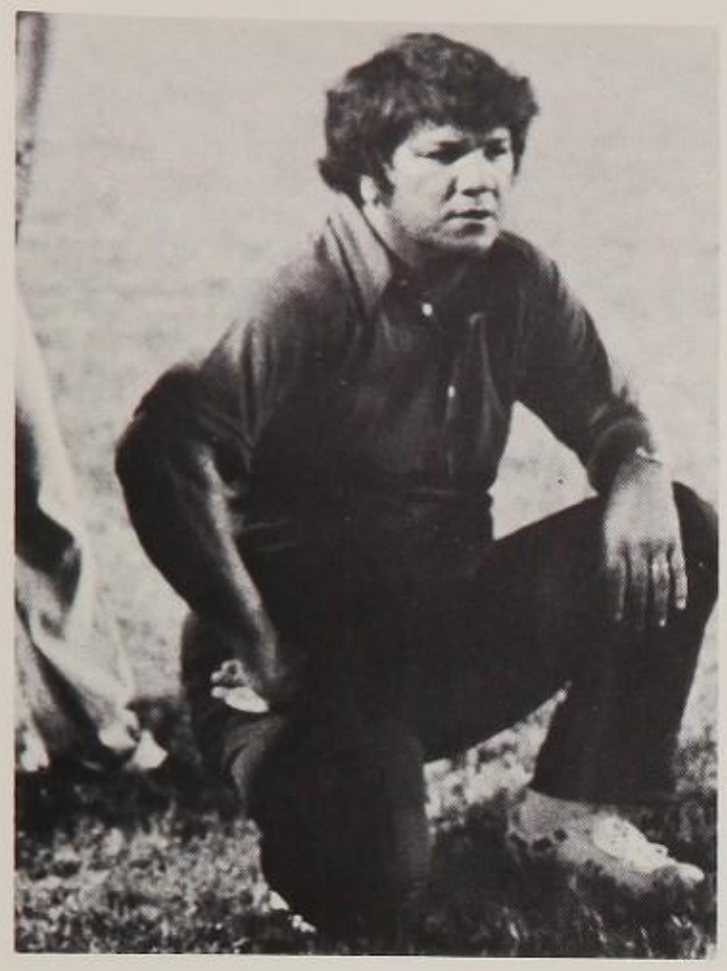
Mr. Terrell Randolph

I would like to congratulate the students, faculty, parents and administrators for a fine productive school year. With your support, the Hancock County School System will continue to be an educational community and a model for quality education.

Sincerely,
Mr. Terrell Randolph

Mr. Randolph is our outgoing superintendent, and we would like to wish him GOOD LUCK in his future endeavors.

JUNIORS RECEIVE CLASS RINGS



The Hancock North Central Hawks coming off of a 9-2, 1978 season record were again optimistic about the 1979 football season. Losing 11 seniors, the 1979-80 seniors and underclassmen made a disappointing year into a joyous one. The seniors of 1979-80, have a record of 30 wins and 15 losses, 4 Bowl appearances and the school's first Bowl win. This remarkable record of theirs will be remembered forever, especially the exciting Wendall Ladner Bowl game in which the Hawks won in the last few minutes over a fine Pearl River, La. squad. HNC 18 — Pearl River 12. Finally, all of the accomplishments of the Hawks would not have been completed without a dedicated and hard-working coaching staff composed of Joe Shaw, Rocky Gaudin and Tim Favre and the "79-80" football Seniors.
